## RESTAURANT

### ELWAY'S

Elway's emerged from a mixture of good friends, good food and the belief that Coloradans are looking for—and deserve—more from a dining experience. Longtime friends John Elway and Tim Schmidt envisioned a place where friends, families and business professionals could celebrate life's

victories, or just unwind at the end of a busy day. Where an ever-changing menu offered the best of the best, accompanied by fine wines at fair prices. All delivered in a contemporary atmosphere much like Colorado itself—adventurous, fun and always alive. Now with two locations—Cherry Creek and The Ritz-Carlton Denver—the Elway's vision has become a reality. Celebrate a birthday or anniversary, entertain business associates or meet friends for cocktails. Or you can simply enjoy an outstanding meal served with genuine hospitality in an environment that is uniquely Colorado.

## INSURANCE

### VAN GILDER

There is more to personal insurance than just the premium. Van Gilder's Personal Account Executives begin each quoting process by conducting a thorough analysis of your insurance needs, realizing that lifestyles and requirements of an individual or for a family may vary greatly. They identify and evaluate your requirements, then make carefully considered recommendations to address those needs. The goal is to minimize your burden of financial loss through the most cost-efficient risk management strategy. And, yes they can even provide wedding insurance, along with home, auto, and other types of personal insurance.
